MOSMAN PARK JUNIOR FOOTBALL CLUB

Sponsorship Opportunities

MOSMAN PARK JUNIOR FOOTBALL CLUB

OUR MISSION

Is to develop a friendly, fun, inclusive grassroots football club.

With community engagement as our pivotal focus we aim to foster an inclusive club environment where our members feel a sense of team spirit and belonging.

We aim to facilitate a well-run junior football competition that is enjoyable, united, selfless and accountable.

We aim to get the whole family involved in the Club not only for the love of football but also to meet new people, develop support networks within the Mosman Park Junior Football Community.

CLUB HISTORY

In 1906, two years before Richmond joined the VFL and 20 years before Claremont Football Club played its first game, there was a football club in Mosman Park. The team had the less than inspiring name of The Cottesloe Second Rate Football Club, and games were played at Davis Oval, affectionately known as the “Prickle Patch” by the players.

During the World Wars, footy took a back seat but in 1946 the club was revived and was reborn as the Mosman Park Football Club. In 1980, the seniors moved to new headquarters at Tom Perrott Reserve, while the juniors kept playing at Mann and Davis Ovals.

In the last few years, the club has grown bigger than ever. In 2010, the juniors joined the seniors at Tom Perrott, to make room for younger kids at Mann and Davis playing Auskick, which continues to get more and more popular among the local girls and boys.

BUILDING PARTNERSHIPS

Sponsorship of the MPJFC offers great visibility and exposure for sponsors over the long football season to families across the Western Suburbs of Perth.

More than 80 children play in our Auskick program playing at Mann Ovals most weekends with their parents and family watching on.

Another 230 girls and boys are registered junior players with Mosman Park Junior Football Club from Year 3 to Year 10.

Supporting our wonderful players are nearly 30 coaches and team managers, volunteering every weekend.

The strength and the success of the Club means we offer brands high visibility across the Western communities from April through to September each year.

We have many sponsorship options available.

Please browse the packages options and speak with us about securing one of these opportunities. Packages are limited, so get in early.
